Disclaimer

My Academic Progress (MAP) provides students with information related to their program of studies, status of their courses, and grades if completed. While Mohawk students are encouraged to use My Academic Progress (MAP) to plan the progress of their studies, My Academic Progress (MAP) should be used as a guide only and NOT BE relied upon by a student as an Official Transcript or as a definitive account of his/her academic progress or eligibility to graduate. Students need to contact their academic department for additional information on their progress and eligibility to graduate. MAP will refresh information automatically except during the College's busiest registration or grading cycles. If your MAP Audit is not reflecting your most up-to-date grades or registration information, contact The Square at 905-575-2000 or toll-free at 1-866-410-4795 or email ask@mohawkcollege.ca and ask that your MAP Audit be manually refreshed.
