Re: Offer Letter for Position of Co-op Student – Co-op Developer

Dear Thomas:

Congratulations. I am pleased to confirm my verbal offer of employment for the position of **Co-op Student – Co-op Developer** and to welcome you to the Ontario Public Service (OPS).

As a **Co-op Developer** Co-op student with the OPS, you will be provided with the opportunity to develop new skills while gaining insight of the services delivered to Ontarians by the provincial government. I look forward to having you join the team and am committed to providing you with a positive and rewarding employment.

As discussed, your start date is January 6, 2025 at 9:00 am. You have been hired as a fixed-term Co-op Student employee. The duration of your fixed-term contract will be from January 6, 2025 to April 25, 2025. During this time, you will be provided the support you need to be successful in your new job. Part of this support is performance and learning plans.

Your contract is full-time at 36.25 hours per week and your position is classified as a Systems Officer 1. Your starting salary will be \$680.60 per week.

This position is part of the Social Assistance I&IT Solutions Branch in the Ministry of Children, Community and Social Services and is located at 5700 Yonge Street, on the 8th floor in North York.

The Cluster is operating in a hybrid work model. You are required to work on-site a minimum of twice per week.

Your position is represented by the Ontario Public Service Employees Union (OPSEU), Unified. As an OPSEU member, you are required to pay union dues, which will be automatically deducted from your pay cheque. Further information, including regional contacts and local union representatives, can be found at www.opseu.org or by calling 'OPSEU Direct' at 416-443-8888 or 1-800-268-7376. The OPSEU headquarters is located at 100 Lesmill Road, Toronto, Ontario, M3B 3P8.

Onboarding:

During your first week of employment, we will review your responsibilities and hours of work, as well as additional information about your position, our branch and the OPS.

Meeting Request:

On your first day, please call me when you arrive at work at 416-677-3647 or message me on Teams so we can meet.

For this first meeting, please ensure you bring:

- Completed forms attached to this letter (Direct Deposit Application, Workforce Information Contact Data Form, TD1 and TD1ON Personal Tax Forms)
- Valid proof of SIN information (card or paper-based format issued by the Government of Canada)
- Valid proof of legal entitlement to work in Canada (one of the following - Canadian Birth Certificate, Canadian Passport, Canadian Citizenship Card, Landed Immigrant Status **or** Work Permit)

- Void cheque or bank completed Direct Deposit/Pre-Authorized Transactions form for direct deposit, which will be used to complete the Application for Direct Deposit (see attached)

Responsibilities as a public servant:

As a public servant, you are appointed to the fixed term service in accordance with the *Public Service of Ontario Act, 2006* (PSOA). Among other provisions, the PSOA establishes an ethical framework for public servants, which include responsibilities and obligations concerning conflict of interest, disclosure of wrongdoing and political activity rights and restrictions. Every public servant has an ethics executive to provide guidance in these areas. Your ethics executive is the ministry's Deputy Minister.

In addition to adhering to conflict-of-interest responsibilities and obligations, you will also be expected to work in accordance with OPS directives and policies such as the [Information and Information Technology \(I & IT\) Directive](#), the [Respectful Workplace Policy](#) (Policy to Support a Respectful Workplace and Prevent Workplace Harassment and Discrimination) and the [Travel, Meal and Hospitality Expenses Directive](#).

Termination:

Your employment may be terminated without cause at any time with or without notice or pay in lieu thereof as required by the *Employment Standards Act, 2000*.

Oaths and Affirmations of Office and Allegiance:

Oaths and affirmations are also important components of the ethical framework for public servants. Public servants are required to swear or affirm two oaths-- the Oath or Affirmation of Office and the Oath or Affirmation of Allegiance. I will administer the oaths or affirmations when you begin your employment.

By making the Oath or Affirmation of Office, you are promising to faithfully carry out your duties, respect the laws of Canada and Ontario (including the recognition and affirmation of the Aboriginal and treaty rights of Indigenous peoples) and not

to disclose confidential information or documents unless legally authorized. There are no exemptions allowed in relation to the Oath or Affirmation of Office.

By making the Oath or Affirmation of Allegiance, you are promising to be loyal to the Crown, symbolizing the Canadian state and system of government. There are two exemptions allowed in relation to the Oath or Affirmation of Allegiance related to foreign citizenship and Indigenous considerations.

In recognition of Ontario's cultural and religious diversity, public servants are not required to place their hand on a specific religious text when electing to swear the oaths. If desired, you are welcome to bring your own religious text or sacred item for this purpose. You can also choose to refer to the name of your specific God/Deity (e.g., "So help me, Creator") when reciting the oaths. If you have any questions regarding the oaths, please do not hesitate to contact me.

Accommodation:

The OPS is committed to providing employment accommodation in accordance with the Ontario *Human Rights Code* and the *Accessibility for Ontarians with Disabilities Act*. Employees are encouraged to identify and discuss any potential employment accommodation needs at the time of assignment or at any time afterward. If you require or wish to discuss employment accommodation, please contact me.

Additional Items:

Employees must comply with any applicable re-employment restrictions.

In accordance with the OPS Employment Policy, a potential new hire must disclose whether they were dismissed from the public service – either from a ministry or Commission public body – and if there are any restrictions on being rehired to the OPS. This policy applies to every applicant who is not an OPS employee.

If you have any questions, or have active re-employment restrictions, please contact me to discuss your restriction.

Soon after you begin working you will also receive an induction package from Ontario Shared Services (OSS). If you have not received the induction package within 20 business days of your start date, please let me know so I can follow up.

If you are currently in receipt of a pension from the OPSEU Pension Plan or the Public Service Pension Plan, you are required to advise your Pay and Benefits Representative at Ontario Shared Services.

If you are currently in receipt of a pension from the Ontario Teachers' Pension Plan and are employed in any capacity at the Ministry of Education, or in a teaching capacity elsewhere in the OPS, you are required to advise your Pay and Benefits Representative at Ontario Shared Services.

I am available to answer any of your questions. Feel free to give me a call at 416-677-3647.

Please sign below to indicate that you accept this offer of employment and return this document by email.
